Raise funds for the Families of Fallen Officers

LEO Only raises funds from many different sources in order to provide Christmas shopping sprees to the children of fallen brothers

"The mission of Gallagher's Army: Fallen Officer Fund is simple. We want to get a check into the hands of the surviving family members of a police officer who has been killed in the line of duty as quickly as possible. This show of financial support to be used in any way the family sees fit will in no way compensate for their loss; rather, it's a sign of appreciation, respect and support from a grateful nation" *Mike Gallagher, founder, Gallaghers Army: Fallen Officer Fund*
